ABOUT ME

I am a dedicated student currently pursuing a Bachelor's degree in Cyber Security at UMT Lahore. While I am in the process of acquiring professional experience, I am enthusiastically seeking opportunities to apply my theoretical knowledge in practical settings to further develop my skills. I am a motivated individual eager to tackle challenges and gain valuable insights from real-world scenarios

EXPERIENCE

05/2023 – 08/2023 **CYBER SECURITY CONSULTANT**

Cyber Security Consultant

As a Cyber Security student, I bring practical experience as a consultant, actively contributing insights to fortify systems. Seeking an internship to further apply and expand this expertise, eager to tackle real-world challenges and contribute innovative solutions to enhance cyber defenses.
